

Technical data

Cable tie wall plug (surface) **25** in **U63X**

Description

Use

- For fixing of Unex trunkings and modular boxes.
- Universal trunking plug for indoor installations.
- Colour: Black.

Installation

- Pre-mounted plug and screw.
- Applicable to the most usual types of wall.
- No need for special tools: Drill bit Ø6 (Part no.25106) and drill bit Ø4 (Part no.25104).
- Assures electrical safety.
- Easy to mount and remove.
- Halogen free.

Product characteristics

- Raw material: U63X
- RoHS Compliant: Conformity ⁽¹⁾
- Silicone contents: Silicon free (< 0,01%)

Quality Marks ⁽²⁾

Directive 2002/95/EC
Licence n°: ID.98170

Characteristics

EN 62275:2009

Minimum installation temperature	-5°C.
Minimum transport and storage temperature	-40°C a +60°C

Technical data

Cable tie wall plug (surface) **25** in **U63X**

Characteristics

EN 62275:2009

Material	Non metallic
----------	--------------

Compulsory regulations

EUROPEAN DIRECTIVE 2006/95/CE

CE Marking	Conformity with standard EN 62275:2009.
------------	---

Characteristics of U63X raw material

- Base raw material: Polyamide 6
- Silicone Contents: <0,01% ⁽³⁾
- Phatalate contents according to ASTM D2124-99:2004: <0,01% ⁽³⁾
- Halogen contents according to EN 50267-2-1: <0,5% ⁽³⁾
- UL flammability tests on plastic materials according to ANSI/UL 94: 1990: degree UL94 HB
